Sharing Stories

- ¹ Did you ever stop to think about why people tell stories? Stories are told for many reasons. Stories teach lessons. Stories help people remember the past. Stories bring people together. And of course, stories are also fun!
- ² Long ago, people didn't write or read stories. They shared them aloud with each other. Children listened to stories told by adults. When the children grew up, they told the same stories to their children. In this way, a story might be told for hundreds of years. But the story would also change as different people told it.
- ³ Many stories from long ago and today have lessons. A story might teach a lesson about being kind, brave, or clever.
- ⁴ Some stories are family stories. When you hear these stories, you learn more about your family and yourself. Some family stories are very funny, and everyone laughs together.
- ⁵ So, do you have a story to tell?
