

## On the Carpet

Sometimes we sit on the carpet in my classroom.

When I sit on the carpet, I have to follow certain rules.

My hands are NEVER in my pants.

My hands are in my lap.

If my hands are in my pants, my teacher will say “nice hands.”

“Nice hands” means I wash my hands and sit on the carpet with my hands in my lap.

My teacher is happy when my hands are in my lap.
