THE FIVE E'S of P352X

EQUITY

We provide every student with individualized support, access to opportunities, and communication systems that ensure their voice is heard and understood.

ENGAGEMENT

We encourage students to actively participate in meaningful learning experiences that foster communication and collaboration.

EMPOWER

We help students build independence, confidence, self-advocacy skills, and the ability to communicate their needs, choices, and ideas.

EVOLVE

We grow together by strengthening communication practices, increasing student attendance, and fostering a safe and inclusive environment.

EXCELLENCE

We maintain high expectations for all; our success is defined by each student's achievements, and their ability to connect with the world around them.
