District 75 Mission

District 75 provides unlimited possibilities where students with disabilities are valued and empowered through specialized instruction and meaningful life experiences. Through family and community partnerships we redefine the norm, cultivate independence, and provide pathways for future success.

P352X School Mission

The Vida Bogart School for All Children empowers students to find their voice, build meaningful connections, and achieve their highest potential. Through personalized instruction, authentic learning experiences, and collaborative partnerships with families and the community, we cultivate confident communicators, independent learners, and active participants in the world around them, preparing them for lifelong success.
